DP MURPHY IS NOW PART OF THE CATHEDRAL FAMILY OF COMPANIES

*We will continue to operate independently, but with an expanded range of services to help you better serve your parishioners.*

I am pleased to inform you that DP Murphy (est. 1873) is now part of Cathedral Corporation's (est. 1916) family of companies serving churches throughout the United States.

It's a great fit. Both companies believe in building personal relationships with our customers, supporting the Catholic Church and helping those who help others. And we are very familiar with each other. We've actually worked together behind the scenes over the last few months.

In our new relationship, DP Murphy will continue to operate as before, but with a broader, better suite of products and services to help you optimize your financial strength and better connect with parishioners. These improved products and services include:

- ❖ Interactive and responsive parish web sites with integrated email, content feeds, and mobile-apps for parishioners on the go!
- ❖ An expanded range of full-color offering envelopes.
- ❖ Proven offertory and capital campaign fundraising programs.
- ❖ Experienced and dedicated postal affairs staff to stay abreast of the latest mailing services and delivery options to save you money and improve your service to parishioners.
- ❖ The latest technologies to ensure that you are communicating with your parishioners in the ways they prefer to be reached.

**The great news is that we are still DP Murphy, and you will continue to work with the same excellent customer service staff you've come to know, located right here on Long Island, our home since 1976!** We are very excited to bring this new level of service to you, and we thank you for your continued patronage.

Please look for invitations that will be sent soon for our customer appreciation event where we will be face-to-face to share these new services with you. If you have a more immediate need about our new offerings or if you have any questions about our new relationship, please talk to your customer service rep or contact Adriane.

We look forward to extending our combined 245 years of leadership in church services by bringing you an even better suite of programs and services for many years to come!

Cordially Yours,

Marianne W. Gaige
